| 28 5:30 Prayer Mtg. 6:00 Riptide | If you've ever suffered at the hands of an evil person, you'll find encouragement in the book of Isaiah. If you've ever suffered from consequences of your own sin, you'll find comfort in Isaiah. If you are looking for hope in desperate times, Isaiah will inspire you to see the future from a whole new perspective. February 14 we'll begin our exciting and sometimes confusing study into the book of Isaiah. We invite you to join us in this fascinating study into the Hebrew scriptures. | | | | | |
